

getAllowed

```
graph LR; A[CPSOptionHelper::checkOption] --> B[getAllowed];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'getAllowed'. The box on the right is white with a black border and contains the text 'CPSOptionHelper::checkOption'. A dark blue arrow points from the right side of the white box to the left side of the gray box, indicating a call or relationship from the method in the white box to the method in the gray box.

CPSOptionHelper::checkOption
