

getValue

```
graph LR; A[getValue] --> B[IPSOptionContainer::contains]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'getValue'. The right box is white with a black border and contains the text 'IPSOptionContainer::contains'. A dark blue arrow points from the right side of the gray box to the left side of the white box.

IPSOptionContainer::contains
